

SEACMEQ Recruitment Procedure for International Professional Positions

5.5. Recruitment of Other Professional Posts

Procedures

- 5.5.1. The Director shall arrange for the Professional Post to be advertised in each Member State.
- 5.5.2. All responses to the advertisement shall be addressed to the relevant authority of each Member State.
- 5.5.3. Each National Contact Point or Sectoral Contact Point will be responsible for organising a Selection Committee.
- 5.5.4. Each Selection Committee will then review the applications and will shortlist no more than three candidates which will be sent to the Director.
- 5.5.5. The Director shall then establish a Selection Committee which will consist of not less than three members of the Standing Committee of Officials.
- 5.5.6. The Selection Committee will review the candidates from each Member State and will then shortlist not more than three candidates who will be called for interviews.
- 5.5.7. The Director shall then set up an Interview Committee which will consist of himself/herself and representatives from not less than three Member States.
