The National Council for Higher Education further wishes to notify the general public that private higher education institutions are required to register with NCHE all new programmes and satellite centres before admitting students or commencing operations in those centres. The Council would like to assure the public that it is doing everything possible to ensure that only properly registered private higher education institutions are operating and offering registered programmes. Both public and private higher education institutions are required to go through the process of accreditation. The Council is therefore urging all prospective students, parents and guardians to access lists of all registered and accredited institutions and programmes in Malawi before enrolling.
